Subject: PandaRoot meeting, 24th of February, 10:00 EVO
Posted by Johan Messchendorp on Mon, 22 Feb 2010 20:53:28 GMT

Dear all,

On Wednesday, we will have our next PandaRoot meeting. This time hosted by Stefano (myself will be traveling to China). Tentative agenda points...

- General announcements:
    * contributions for collaboration meeting
    * ....
- Tracking:
    * report Gianluigi: resolution studies for STT
    * track merging
- Analysis:
    * recent activities from Klaus, Soeren, et al.
- EvtGen & precision problem?
- AOB
    * ....

For any additional agenda points, please contact Stefano.

Stefano & Johan.
