Stefano Spataro wrote on Wed, 24 February 2010 15:44Hi,
in your geometry/media_pnd.geo please modify the copper definition with the following text:

```
copper      1 63.54 29. 8.96
            0 1 20. .001
            0
```

(one "0" becomes "1", for the magneti field) and let me know if it works now.

It doesn't help.

P.S.: I use feb10 release of pandaroot.
