Subject: fDetectorId discussion
Posted by Radoslaw Karabowicz on Mon, 08 Mar 2010 17:24:09 GMT

To all interested,

As suggested during my today's talk I would like to summon a small meeting of anyone interested in PndDetectorList.h and fDetectorId.
The proposed time slot was Wednesday around lunch, so about 12.30.

Could you please tell me who is interested and if the proposed time is ok with you?

yours,
radek
