Subject: Re: Error in make in EvtGen
Posted by manoj.jadhav on Fri, 09 Apr 2010 11:03:50 GMT

hello all,

In EvtGen, after make bin it shows error

....
usr/bin/ld: cannot find -l-l
collect2: ld returned 1 exit status
....

I am not able to understand why this error is coming. So please help me in this regards.
