Subject: pandaroot meeting, tomorrow friday, 14:00-15:00 EVO
Posted by Johan Messchendorp on Thu, 20 May 2010 16:43:41 GMT

Dear all,

I propose to have a pandaroot meeting tomorrow at 14:00 hours.
On the agenda is the next release. I would like to discuss tomorrow
how to proceed here, in particular, since we are still facing problems
in the stability of the code.

Hope to hear you then,

Johan.
