Subject: Re: DIRC simulation in GEANT3 and GEANT4 using geometry from a .root file Posted by Mohammad Al-Turany on Wed, 22 Dec 2010 20:39:23 GMT View Forum Message <> Reply to Message

Hallo Maria,

Can you put your modified stuff in the development branch so that I can test it? or make it readable for all on the GSI cluster. I could not access any of your files for testing.

regards

Mohammad
