Dear colleagues,

those of you being on the ROOTTALK mailing list may have already noticed the message by René Brun about the new GEANT project which has been launched these days.

FYI I post a link to René's talk:

<http://indico.cern.ch/getFile.py/access?contribId=0&resId=1&materialId=slides&confId=116419>

In any case I think it's worthwhile following the project (see also <http://geant.cern.ch> ).

Cheers

Olaf.
