Hi,

I am planning to buy a new laptop. I am confused between MAC & DELL. Can some one please suggest which will be more preferable with PANDA software.

configuration is as fallows,

Dell:

CPU Speed : Intel Core 2 Duo Processor T6670(2.2GHz, 2MB L2 Cache, 800MHz)

Memory : 4GB DDR2 RAM

Hard Drive Capacity : 320GB SATA HDD

Apple:

MacBook MC207ZP/A

Processor Intel Core 2 Duo Processor

Processor Speed (MHz) 2.26GHz

Memory (RAM) Size 2GB

Inbuilt HDD & Type 250GB

With Regards,
