Subject: need suggestion about preferable laptop with pandaroot Posted by manoj.jadhav on Fri, 07 Jan 2011 13:04:49 GMT View Forum Message <> Reply to Message

Hi,

I am planning to buy a new laptop. I am confused between MAC & DELL. Can some one please suggest which will be more preferable with PANDA software.

configuration is as fallows,

Dell:

CPU Speed : Intel Core 2 Duo Processor T6670(2.2GHz, 2MB L2 Cache, 800MHz) Memory : 4GB DDR2 RAM Hard Drive Capacity : 320GB SATA HDD

GSI Forum

Apple: MacBook MC207ZP/A Processor Intel Core 2 Duo Processor Processor Speed (MHz) 2.26GHz Memory (RAM) Size 2GB Inbuilt HDD & Type 250GB

With Regards,
