Dear all,
next week we are planning to dedicate the usual pandaroot EVO meeting to PID discussion, on wednesday 2nd February 2011 at 10:00 AM.

For this reason I would like to ask to all the people involved, or who would like to be involved, to show up and participate to the discussion, to present eventual work or points of discussion, even to organize pid activities.

We are hoping to "listen" you all

Ste and Johan
