Subject: Re: New externals for FairRoot are now available (feb11) Posted by Mohammad Al-Turany on Fri, 18 Feb 2011 08:36:54 GMT View Forum Message <> Reply to Message

Hi,

It seems that something went wrong when getting geant3 from CERN svn! can you please check if the directory "/home/scheinast/feb11/transport/geant3/" exist? if not just go the directory "/home/scheinast/feb11/transport/" and type "svn update". Then you can call the configure.sh again from the main directory.

regards

Mohammad
