Dear all,

On Wednesday we will have our next pandaroot meeting with as main dish our favourite topic "status tracking code". I would also like to invite users doing their analysis or TDR studies to participate and convey us any problems/suggestions.
The meeting will take and EVO at 10:00....

Tentative agenda items:

1) general announcements
2) user analysis and open forum items
3) tracking code: status (please trackers, be present)
4) AOB

Greets,

j.
