Subject: Re: HV cable problem Posted by Herbert Stelzer on Mon, 29 Nov 2004 12:58:39 GMT View Forum Message <> Reply to Message

Dear all,

we did some tests with the HV-cables we got from Heidelberg. The one labeled 'Bad' is really bad, the one 'Good' is much better, but I would not use it. The sample we used for the TPC behaves perfectly. Regards Herbert Stelzer
