Subject: Gridka-school: 5-9 September 2011 Posted by Johan Messchendorp on Mon, 04 Jul 2011 10:49:37 GMT View Forum Message <> Reply to Message

Dear all,

On September 5.-9. 2011, there will be a GridKa school of computing. This could be an interesting school for those interested in xrootd and/or AliEn hands-on tutorial. More information can be found on

http://www.kit.edu/gridka-school

Greets,

Johan.
