Subject: Re: Bug in FairEvtGenGenerator Rev. 12206 Posted by StefanoSpataro on Tue, 15 Nov 2011 08:11:31 GMT View Forum Message <> Reply to Message

FairEvtGenGenerator should not be used, and probably removed from the repository, since it is not maintained since ages and we have no write permissions there (and if I remember well nobody else is using it).

PndEvtGenGenerator was the standard tool, but obsolete since the PndEvtGenDirect is the correct tool. In wiki the instructions should be based on the Pnd version and also the tutorials.
