Dear all,

Our next pandaroot meeting will be next week Monday, the 23th at 10:00, EVO. Tentative agenda items:

- 1) General announcements
- 2) Open forum items, analyses problems, etc.
 - new external packages?
 - ...
- 3) Recent analyses
 - Dmitry Khaneft - e+e- construction
 - Binsong Ma - study with stt
- 4) A.O.B.

If you like to present something or would like to see another agenda item, please let me know beforehand....

Greets,

Johan.
