Dear colleagues,

We will have this time a pure EVO meeting (there is no meeting room) at Tuesday, June 26, from 16:00 to 18:00++ CEST (9-11h am Chicago time). The start time might shift due to activities of the preceding DIRC activities.

Please let me know about the title of your contribution and the time needed for it at your earliest convenience, so that I can construct and post the agenda soon.

See EVO coordinates at the very end.

Best regards  
Carsten
