Subject: Re: Errors in SttHi Posted by Tobias Stockmanns on Wed, 19 Jun 2013 14:44:30 GMT View Forum Message <> Reply to Message

Dear Lia,

the x,y values of the STTHits are used for fast track finding by Marius and I use them for a Riemann-based track finder including the STT. This is the reason why I have asked for the change in the errors.

The other point is not so urgent because I am busy at the moment with other stuff. I just figured out the problem when I was looking into the code.

Cheers,

Tobias
