---

Version 4 of the chamber testing manual is available at  
[www.physi.uni-heidelberg.de/~schicker/trdtest/chamb\\_v4.pdf](http://www.physi.uni-heidelberg.de/~schicker/trdtest/chamb_v4.pdf).  
This version contains the changes which were discussed  
at the TRD meeting march 15 at GSI, in particular the  
inclusion of an  $^{55}\text{Fe}$  spectral measurement as part of the  
testing procedures.

Cheers Rainer
