Subject: Re: Wrong particle in FillList Posted by MartinJGaluska on Fri, 16 Aug 2013 13:03:26 GMT View Forum Message <> Reply to Message

Thank you, Klaus! So the only thing which should be avoided (for now) is the

theAnalysis->FillList(kp, "KaonLoosePlus");

(I mean using MC truth as PID) or was it tested to work properly now, too?
