Hallo Klaus,

I am sorry, my link was refering to the wrong posting, here is the right one:

https://forum.gsi.de/index.php?t=tree&rid=0&S=29db68af4cc42212389ac9acd60b3e32&th=3950&goto=15045#msg_15045

I have in my list where i asked for positive or negative particles also neutral particles. How can that be explained?

Best Regards
