Subject: Re: external packages apr13 - installation note Posted by Karin Schönning on Thu, 14 Nov 2013 15:17:59 GMT View Forum Message <> Reply to Message

I have the same problem (i.e. the geant4 installation fails, with complaints about expat), but I have expat packages installed: expat-2.0.1-11.el6_2.x86_64 compat-expat1-1.95.8-8.el6.x86_64 expat-2.0.1-11.el6_2.i686 (my OS is slc6). Do I need something else in addition to these?
