Hi Ralf,

Regarding to the issue of FillList, I just found that scrut/ana_jpsi.C crashes due to this operation:

theAnalysis->FillList(mclist, "McTruth");

It doesn't work any more in the version of 24297, but works with the previous one #24275 (Elisabetta tests).
Is it caused by the on-going modifications of code? and can be fixed in soon?

Thanks in advance.

Best,
Lu
