Hi Elisa,

I noticed a typo in the code you posted:

```
jpsiee.Combine(eminus,eplus);  
jpsimm.SetType(443);
```

should be

```
jpsiee.Combine(eminus,eplus);  
jpsiee.SetType(443);
```

(I have just realized that with Ralf's modification the typo should not have any effect anymore.)
