Subject: Re: `simpleEvtGen` not working with scrut14 #25034
Posted by Stanislav Poslavsky on Wed, 21 May 2014 19:24:19 GMT

Dear Stefano,

here are files that I use. I put these files into the folder `/build/bin/` and run `simpleEvtGen`
from this folder.

File Attachments
1) evt.pdl, downloaded 445 times
2) DECAY.DEC, downloaded 430 times
3) dspair.dec, downloaded 449 times
