Subject: Re: Fixed bug in fsim Posted by Klaus Götzen on Sun, 01 Jun 2014 06:17:30 GMT View Forum Message <> Reply to Message

Hi,

just as update: I think the bug affected only the values of EmcCalEnergy and MuoIron themselves, not the connected PID probabilities. So there is no need to rerun simulations if you didn't use the values directly.

Best regards and sorry for the inconvenience, Klaus
