Subject: Re: Compilation Problem PndLmdDataFacade.cxx on SLC 5.10 (Boron) Posted by Stefan Pflueger on Wed, 02 Jul 2014 11:59:20 GMT View Forum Message <> Reply to Message

Hi Martin,

you must have an older compiler that does not support c++11, in which the constructor does not accepted a std::string as an argument. I fixed it in the current trunk. Sry that I missed that.

Best regards,

Stefan
