Dear all,
due to logistic problems, in July and in August it is not possible to have out regular software meetings on Monday morning.
For this reason next meeting will be held on Wednesday 9th July, always at 10:00 AM CET, and bi-weekly on Wednesday morning up to the Frascati meeting. After we will decide for a new day/time with a doodle.
If there are strong objections against this time slot please let us know.

If you want to show your results, or you have some topic to discuss for the next SeeVogh, 09.07.14, please tell us.
