Thanks Stefano and Florian.

Now its works but with root building problem. the error is looks as:-

```
*** Building libAfterImage ...
make[1]: Entering directory `/home/ajay/apr13/tools/root/graf2d/asimage/src/libAfterImage'
gcc -m64 -O3 -DNO_DEBUG_OUTPUT -fPIC -I/usr/include/freetype2 -c asfont.c -o
asfont.o
asfont.c:67:33: fatal error: freetype/freetype.h: No such file or directory
# include <freetype/freetype.h>
      ^
compilation terminated.
make[1]: *** [asfont.o] Error 1
make[1]: Leaving directory `/home/ajay/apr13/tools/root/graf2d/asimage/src/libAfterImage'
make: *** [graf2d/asimage/src/libAfterImage/libAfterImage.a] Error 2
**** Checking libraries in /home/ajay/fairsoft/lib ****
*** ERROR: root could not be created.
*** End installation of external packages with Errors***
```

Please suggest to resolve this problem.

Thanks
