Subject: New PandaRoot release oct14 Posted by StefanoSpataro on Wed, 29 Oct 2014 11:06:04 GMT View Forum Message <> Reply to Message

Dear all,

a new software release is born, oct14.

This will be the last release with apr13 external packages, and without git distribution of the external software. After, the trunk will not be supported anymore and you will need to move to the new instructions.

In order to download it:

svn co https://subversion.gsi.de/fairroot/pandaroot/release/oct14

Any feedback will be appreciated.
