Hi Michael,

Yes, most likely your institute have a UI.

I doubt if you could arrange an access to a UI of an other institute. We may ask to our IT department to open a temporary account, but it would not last more than a month. I think we had a similar case during the EGAN school in December, 2012, i.e. there were temporary accounts especially opened for the school for those who don't possess the GRID access.

Cheers,
Tayfun
