Subject: Re: Vertex fitter for two consecutive decays Posted by Karin Schönning on Tue, 25 Nov 2014 11:18:49 GMT View Forum Message <> Reply to Message

In Erik Thomé's thesis he writes that

He used the old framework but since this is on the analysis level maybe there is only some cutting and pasting required. I will try to get a hold of him (he quitted academia and I am not sure if his email works) and check if he has some code on his own or if there was some standard part of pandora.

Cheers, /Karin
