Dear all,

due to electrical works in Betriebsgebäude BG 2, we will have to shut down the interactive machines providing access to /hera and the Prometheus batch farm, lxsub05-lxsub21,  
- on Wednesday, December 2, 19:00  
- until Thursday, December 3, afternoon

The pro-ib.hpc.gsi.de machines (lxsub02-04) are not affected.

Cheers,  
Thomas
