Dear colleagues,

For the upcoming PANDA collaboration meeting LVI. in Bochum, we will have a parallel session for the TOF group.

We reserved two 1.5h slots and depending on how many talks we have, we may or may not squeeze into one slot, in that case I would say Tuesday. Please let me know the title and time of your contribution. Or if there's a preference of Wednesday in case we try to fit into one session, also please let me know.

Tuesday, 1.3.2016, 14:00h-15:30h VZ Saal1

Wednesday, 2.3.2016 11:00h-12:30h NB4/158

A SeeVogh connection will be prepared for a remote participation, including a guest access option.

This time the SeeVogh session will be booked centrally by the host institute. I'll forward the connection detail when I know it.

Best regards
Ken Suzuki
