Dear all,

we will have our next EVO meeting on Monday 9.10.2017 at 14:00.

The only point on the agenda is the switch to git.

I will give an introduction to the usage of git and show you the workflow we will use in Panda.

We will also do some live tests. Therefore I need the e-mail address of anyone who wants to participate so that I can create an account on our git server.

Cheers,

Tobias
