Dear Anna,

PandaRoot has switched from SVN to git. Therefore it is not possible to download it anylonger via SVN.

Please follow: <https://panda-wiki.gsi.de/foswiki/bin/view/Computing/PandaRootInstallGit>
or (if you plan to develop for PandaRoot):
<https://panda-wiki.gsi.de/foswiki/bin/view/Computing/PandaRootInstallWithGit>

I hope that these descriptions help you with your installations.

Cheers,

Tobias
