Subject: Re: PYTHIA6 usage Posted by Anna Skachkova on Fri, 22 Feb 2019 12:58:54 GMT View Forum Message <> Reply to Message

## Dear Ralf,

Thank you! It started to work when I commented the lines 48/49 and replaced fRun->SetGenerator(primGen); to fRun->SetGenerator(pythiaGen); and commented also the line primGen->AddGenerator(pythiaGen);

But then I faced the problems with the further usage - tut\_aod.C. I have to think about this and shall report it later.

Cheers, Anna
