Dear PANDA software developers,

our PANDA collaboration meeting is approaching. As usual we have our computing session on Tuesday (5.11.2019) morning.

If you want to give a presentation during the session then please send me the title and the intended length of your presentation till Wednesday (30.10.2019) this week.

In addition we have a beginners tutorial about machine learning by Waleed on Thursday (7.11.2019) morning in parallel to the Technical Forum. More details about this tutorial will follow in a separate e-mail.

With kind regards,

Tobias
