Please try to stick to the topic and try not to become too private with your comments.

Cheers,

Kilian

Kilian, is it another bunch of coal to the fire to keep the topic on the top?
Why did you decide to moderate something which has happened 9 month ago?

Peace!

Sorry for the off-topic.

BTW, Your post is off-topic as well The moderator's warning you could send as a private message or I am on a level when only public punishment can help?
