Dear Geant4 users,

due to a serious lack of disk space I was asked to remove some old G4 installations located on /u/gsisim for gcc295-04.

Therefore the question:

does anybody still have need for the installations:

/u/gsisim/simulation/geant4.5.0.p01/lib/Linux-g++/

/u/gsisim/simulation/geant4.5.0/lib/Linux-g++/

???

Cheers,

Kilian
