Subject: Re: Stt bug in Rev. 880 Posted by Lia Lavezzi on Thu, 14 Jun 2007 08:19:46 GMT View Forum Message <> Reply to Message

Hi Ralf,

as a first solution you could try simply: map<Int\_t, Int\_t>::iterator it = (std::\_Rb\_tree\_iterator<std::pair<const int, int> >) 0; This should work.

I think it's really an issue of different compilers, because I don't see this error while compiling. I will investigate this and fix it on the svn repository.
