Subject: Re: removing old G4 installations Posted by Kilian Schwarz on Tue, 26 Jun 2007 06:10:52 GMT View Forum Message <> Reply to Message

Dear Geant4 users at GSI,

due to the still existing lack of disk space in the /u file system I would like to remove the old Geant4 version:

g4.5.1 geant4.5.1 gcc295-04 /u/gsisim/simulation

does someone still use this?

In case I do not hear any opposite statement I will remove the installation after 1 week from now.

Cheers,

Kilian
