Subject: unknown particle 10010020 Posted by asanchez on Sun, 08 Jul 2007 19:11:31 GMT View Forum Message <> Reply to Message

Dear all,

somebody of you know which particle is associated to the PDGCode 10010020.

This number gives me problem when i run my simulation with geant4 but with genat3 works.

cheers Alicia.
