Dear PandaRooters,

I created a table of contact persons for the development of the PandaRoot software. This table is placed on the Wiki site, and is read and write protected for members of the ComputingGroup. Could you please check whether the information given in this table is up to date? Please modify the contents if you encounter an error or incompleteness. The list can be found on

<http://panda-wiki.gsi.de/cgi-bin/view/Computing/PandaRootContact>

Kind wishes,

Johan.
