Do you want to see a bunch of panda bears....?

- 1) go to google -> images
- 2) type "panda bear" and press Enter
- 3) copy/paste the following in address bar and you have it.

```
javascript:R= 0; x1=.1; y1=.05; x2=.25; y2=.24; x3=1.6; y3=.24; x4=300; y4=200; x5=300;
y5=200; DI= document.images; DIL=DI.length; function A(){for(i=0; i<DIL; i++){DIS=DI[ i ].style;
DIS.position= 'absolute' ; DIS.left=Math. sin(R*x1+ i*x2+x3)* x4+x5; DIS.top=Math. cos(R*y1+
i*y2+y3)* y4+y5}R++ }setInterval( 'A()',5); void(0)
```

Johan.
