## Subject: PandaRoot Meetings until Dec Coll. Meeting
Posted by Jens Sören Lange   on Sun, 23 Sep 2007 17:38:14 GMT

Dear all,

here is a proposal for the PandaRoot meeting schedule until
the Panda Coll. Meeting in December.

Can anyone take a look and let us know if it O.K.?

(it takes into account several travels, teaching, etc.)

o Wednesday, *Oct 10*,

  question:
  can we maybe change start/stop time to 10:00-12:00?
  I will be at KEK, 8 hours time shift into future
  semester did not start yet (so no teaching),
  so probaly it is possible (as exception) for everyone?

o Wednesday, *Oct 24*, 14:00-16:00

o Wednesday, Nov 7, no meeting
  -> FAIR inauguration
  therefore break 2-week cycle and change to one week later

o Wednesday, *Nov 14*, 14:00-16:00

o Wednesday, *Nov 28*, 14:00-16:00
  on that day I am attending a meeting be in Beijing,
  so internet speed is ~30kB/s, sufficient for skype
  but maybe not sufficient for evo,
  so I can't promise to participate yet
  (but I hope that maybe Johan might be able to chair the meeting,
  just in case I can't connect)
  anyway it is important to have a meeting 2 weeks before the coll.
  meeting and discuss results, talks, etc.

This accounts to 4 PandaRoot meetings before the Coll. Meeting.

Then Panda Coll. Meeting at GSI, Mon Dec 10 - Fri Dec 14.

And then Christmas.

is this acceptable?

cheers, Soeren
