Hi Florian!

Maybe you can help me. What did I do wrong to create these warnings:

```

`trackrep/CMakeFiles/trackrep.dir/all'
CMakeFiles/Makefile2:1668: warning: ignoring old commands for target
`trackrep/CMakeFiles/trackrep.dir/all'
CMakeFiles/Makefile2:2038: warning: overriding commands for target
`trackrep/CMakeFiles/trackrep.dir/rule'
CMakeFiles/Makefile2:1678: warning: ignoring old commands for target
`trackrep/CMakeFiles/trackrep.dir/rule'
CMakeFiles/Makefile2:2047: warning: overriding commands for target
`trackrep/CMakeFiles/trackrep.dir/preinstall'
CMakeFiles/Makefile2:1687: warning: ignoring old commands for target
`trackrep/CMakeFiles/trackrep.dir/preinstall'
CMakeFiles/Makefile2:2054: warning: overriding commands for target
`trackrep/CMakeFiles/trackrep.dir/clean'
CMakeFiles/Makefile2:1694: warning: ignoring old commands for target
`trackrep/CMakeFiles/trackrep.dir/clean'
```

Cheers, Sebastian.
