Subject: Re: CMake Problem Thread Posted by Sebastian Neubert on Tue, 02 Oct 2007 10:13:50 GMT View Forum Message <> Reply to Message

Hi Florian!

Maybe you can help me. What did I do wrong to create these warnings:

CMakeFiles/Makefile2:2028: warning: overriding commands for target `trackrep/CMakeFiles/trackrep.dir/all'

CMakeFiles/Makefile2:1668: warning: ignoring old commands for target `trackrep/CMakeFiles/trackrep.dir/all'

CMakeFiles/Makefile2:2038: warning: overriding commands for target `trackrep/CMakeFiles/trackrep.dir/rule'

CMakeFiles/Makefile2:1678: warning: ignoring old commands for target `trackrep/CMakeFiles/trackrep.dir/rule'

CMakeFiles/Makefile2:2047: warning: overriding commands for target `trackrep/CMakeFiles/trackrep.dir/preinstall'

CMakeFiles/Makefile2:1687: warning: ignoring old commands for target `trackrep/CMakeFiles/trackrep.dir/preinstall'

CMakeFiles/Makefile2:2054: warning: overriding commands for target `trackrep/CMakeFiles/trackrep.dir/clean'

CMakeFiles/Makefile2:1694: warning: ignoring old commands for target `trackrep/CMakeFiles/trackrep.dir/clean'

Cheers, Sebastian.
