Subject: Re: cmake error Posted by Tobias Stockmanns on Fri, 16 Nov 2007 08:25:20 GMT View Forum Message <> Reply to Message

Hallo Florian,

thank you for your fast reply. Unfortunately the folder cmake/modules is at the latest revision.

It was a clean checkout I did yesterday afternoon.

At the moment I just commented out the CHECK_GSI() command and everything works despite the PATH-variable where I have to add my old PATH.

Viele Grüße

Tobias
