Subject: Re: Add folder to cmake Posted by Tobias Stockmanns on Tue, 29 Jan 2008 13:56:51 GMT View Forum Message <> Reply to Message

Hi,

I could solve the problem by myself. It was quite stupid. I have an old installation with root 5.14 and a new one with 5.17 and I did the cmake just in the wrong folder. Shame on me.

Cheers,

Tobias
